

STEP-BY-STEP ONLINE REGISTRATION INSTRUCTIONS

Welcome! The fastest way to get your vehicle considered by the Selection Committee is to register online. The process takes only a few minutes.

Please read these instructions prior to registering to guarantee a smooth process.

Questions? Contact : Ida Wilcox, Concoeurs Administrator at 713-521-0105 or ida@keels-wheels.com. Ida will be happy to help you with your entries.

ONLINE REGISTRATION

HELPFUL HINTS

- Please use traditional upper/lower case whenever entering anything in the online application. Do not type only in lower case or upper case. For example, John Smith not john smith or JOHN SMITH.
- Fill out all of the requested information for your entry. There are several screens to work through.
- All fields on the profile and application marked with a **red asterisk*** are required. If you do not have the information handy, please type in 'don't know' or 'not applicable'. Failure to enter something will prevent your application from registering.
- Some fields have drop down boxes—hit the arrow and all the possible answers will display.
- **IMPORTANT INFORMATION ABOUT THE PROFILE:** If you are registering for someone else, all of the fields in the initial profile relate to the owner, not to you.
- You will need your insurance information.

IMPORTANT INFORMATION ABOUT SELECTION: If you would like to have a vehicle or boat considered, please observe the following steps:

- Cars newer than 1974 are generally not considered.
- Boats follow the ACBS guidelines and are defined on the Boat Class document below. Please review first.
- Automobiles follow the CCCA guidelines and are defined below. Please review first.
- Only 200 automobiles and 100 boats will be selected. The earlier you submit your automobile or boat for consideration, the better.
- Include a brief history of the automobile or boat.
- Keels & Wheels uses a 100 pt. judging system.
- Classes will be reviewed and adjusted when all entries are received.

PHOTOGRAPH INSTRUCTIONS

The Selection Committee will be unable to consider your vehicle without photographs.

Three color photos of your Automobile or Boat are required:

(1) Full Profile | (2) Engine Compartment | (3) Interior (showing front seats/dashboard)

- They **must be in .jpg format** (.pdf photos will not work)
- They should be individual shots, not a collage
- They need not be professional shots but must be high quality images. Most smart phone cameras will be sufficient.
- The profile shot should be taken with the hood and doors closed if entering a automobile.
- The Full profile shot will be used for the Concoeurs program.

OPTIONS FOR SUBMITTING PHOTOS

- 1) Send them as an attachment in a separate email to ida@keels-wheels.com; **OR**
- 2) Send them by U.S. mail to: Keels & Wheels Concoeurs d'Elegance PO Box 156, Seabrook, TX 77586
